Kathy -

That all sounds fine. We agree to the 2-week extension, and we will review any proposed protective order that you send.

Thanks.

Would you all be agreeable to a two week extension for written discovery responses - making them due June 17? We will certainly extend the same courtesy for you when the time comes.

Additionally, it probably makes sense to get an agreed protective order in place. We can work with the other defense counsel and get a draft to you all for your consideration if that is agreeable to you.
